Farmingdale, NY 11735 www.costumeamerica.com info@costumeamerica.com

COSTUME RENTAL AGREEMENT:

Rates and Rental Periods:

Costume rentals are priced based upon predetermined rental rates (based on type of costume, costume value, and number of costumes). **At certain Holidays**, we may offer special flat rates for a period of up to 2 weeks only. Prices are subject to change at Costume America's discretion.

Initially, costumes are quoted based on a rental period of **up to 2 weeks**. **Mascots** are quoted based on a rental period of up to 72 hours. Late fees will be charged as follows:

\$15.00 per day late per costume. At the end of 2 late weeks we will also charge for costume replacement as determined by management.

\$25 per day late charges for mascots will apply after 72 hours. At the end of 1 late week we will also charge for mascot replacement as determined by management.

Payment (Deposits, Balances, and Other Fees):

A minimum **25% deposit** is required to reserve a costume, therefore making it unavailable for any other rental. Once reserved deposits are non-refundable. If order is cancelled after 72 hours, the entire order is nonrefundable. If extenuating circumstances apply, we will issue a store credit less deposit amount. Balance must be paid on pick up to take costume from shop. You are paying for time out of our shop not actual use.

Costume America accepts **AMEX, VISA, MASTERCARD, DISCOVER, DEBIT CARDS and CASH** for payment. In order to rent you must have a valid credit card to hold as security for damages, lateness and non-return. For your costume to leave shop we must have you list a valid credit card number below. This insures that we have a way to charge for costumes never returned, returned late or returned damaged.

Alterations, Damages and Missing Items:

Alterations and cleaning are included at no additional charge. If an item needs a button repair or seam repair while in your care or if you find you need to make any alterations on your own, you can return it to us for repair or if you choose – do so yourself by hand sewing, using double sided surgical tape, or masking tape **ONLY. DO NOT USE DUCT TAPE AS IT LEAVES A RESIDUE THAT CANNOT BE REMOVED.**

Please examine your costume on Pick Up. We examine all costumes upon return. If any damages are found that were not noted before the costume left the shop or costumes or pieces of costumes are missing, you will be charged for damages and repair or replacement of the costume(s).

Costume America reserves all rights to charge this card in the event the customer does not return phone calls or emails regarding final balance and/or payment because of damages.

By signing below, the customer is accepting all responsibility for costumes in their care.
